“I have 20+ years of experience in the Healthcare IT industry in a variety of roles including Cybersecurity software and services. During this time I have seen numerous speakers on the topic of Cybersecurity and Ali Pabrai is among the best. He covers the state of the industry, healthcare-specific regulations, process, product, best practices and call-to-action takeaways in a manner that can be understood at multiple levels including technical, clinical, supply chain and executive.”

“Ali also weaves in stories and humor to keep the audience engaged on what can be a dry yet frightening topic. I highly recommend Ali Pabrai as a speaker, trainer and consultant in this area.”
